We realize many families do not fully understand all that goes into creating, organizing, and completing a sports season, let alone the costs associated with such an endeavor. We would like to help by briefly sketching our cost arrangement.

A large per cent of the player's registration dues are applied to One Goal Sports by way of team fees in the form registration, team building, scheduling, etc. Another large percentage is applied towards seasonal equipment and supplies in the form of balls, field or court equipment, line marking paint, medical equipment, and other related needs. There are other expenses related to facility or equipment rentals, league administration, advertisement covered by player dues, as well as seasonal marketing expenditures. Lastly, a small percentage is set aside in a reserve fund to assist OGS with the sometimes sudden and unexpected changes in cost of goods. Here at One Goal Sports we want to make sure we are doing everything we can to serve many more families in the Rutherford County and surrounding areas for years to come. Thank you for understanding the One Goal Sports refund policy.
